SOUTH CAROLINA
DOCKET NO. 2000-366-A - ORDER NO. 2002-3

JANUARY 9, 2002

IN RE: Application of Chem-Nuclear Systems, LLC for Identification of Allowable Costs.)))	ORDER GRANTING EXTENSION
---	-------------	--------------------------------

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of the South Carolina Department of Health and Environmental Control (DHEC) for an extension of time in which to prefile and serve its direct testimony and exhibits in this matter. The testimony is presently due to be filed and served on or before December 19, 2001. The extension requested is to be allowed to prefile and serve on or before December 21, 2001. The grounds for the request is that counsel has been participating in another hearing before this Commission and has not been able to participate in the completion of the direct testimony.

We have considered the matter, and grant the request for an extension. The testimony and exhibits, if any, must be filed and served on or before **December 21, 2001**.

This Order shall remain in full force and effect until further Order of the
Commission.
